## White Haven Memorial Park Gathering Room and Reception Information

Whatever the occasion, we are more than happy to help host your important event. From a simple brunch, to a large luncheon; our family gathering room is the perfect space. Our families have found that having your loved one's service, burial and gathering all in one location to not only be convenient, but calming and comforting; *one* place for family and friends to come and celebrate the life of your loved one.

Enclosed are the sample menus offered by the three catering businesses we selected to work in our facility for you to choose from. **All food and beverages served in our facility must, by law, be prepared, delivered and served by one of our licensed caterer.** As a result, we do not allow food brought in by friends or family members to be served. These caterers have all been pre-approved and trained by us to deliver our families the best service possible. *Only* these caterers are permitted to operate in our facility. *Also, Alcoholic beverages are not permitted.*

Our gathering room is scheduled on a first come first served basis, with a maximum capacity of 75 people. Please be sure you or your funeral director (if applicable) schedules your reception with White Haven **before** you book a caterer. The caterer you select will call to confirm the arrangement you have made. Set up as well as cleanup is our responsibility.

The cost of using the gathering room is \$195 per hour or fraction thereof. Payment for food related services must be made directly to the caterer. *(If your reception is for 20 people or less, please ask the caterer to explain all minimum charges that may be required.)* You may include the gathering room payment with other fees due to White Haven. *(If paying by check, make payable to White Haven Memorial Park).*

We look forward to scheduling your gathering. If you have any questions or concerns, or would like any other additional information about services here at White Haven, please contact **Donna Miller** at (585)586-8232.
