JUNE SERVICE OF REMEMBRANCE & ICE CREAM SOCIAL

Save the date!

Please mark your calendars now for this service of remembrance and celebration

Our springtime Service of Remembrance on Saturday, June 10th at 4:00 p.m. is a wonderful combination of reverence, hope, joy and caring. This year it will include the lovely music of FUSION, a women's a cappella quartet. In addition, the service will feature our traditional reading of the Prayer of Names along with inspiring poetry and readings. All this followed by our Annual Ice Cream Social and Butterfly Release on the All Seasons Chapel's wonderful fountain view patio. Come join us and bring the whole family!

The Cut-off date to submit names for The June Service Prayer of Names is Wednesday, June 7th

Call or email names to Donna at: 585-586-8232 or donna@whitehavenmemorialpark.com.

WREATHS

March 15th is traditionally the date that we begin removing all of the wreaths for our spring clean-up. If there is still a lot of snow on the ground and the tripods are still frozen into the soil, however, we may have to wait a few days. If you purchased your wreath from White Haven, don't worry! We will remove and discard your wreath for you as soon as we are able. If you purchased your wreath elsewhere and would like to keep it, please remove it as soon as you are able. If your wreath is left on our grounds after March 15th we will remove it and discard it as we remove all the wreaths purchased through us.

NEW MAUSOLEUM COMING TO WHITE HAVEN

The construction of Lasting Light Phase II, the second and final half of our beautiful Lasting Light Mausoleum, is well under way. This new mausoleum will feature sunny, southern exposures for both indoor and outdoor crypts and niches, as well as a large selection of single, combo and side-by-side crypts. Sales in this new building will begin on **April 1, 2017**. Call now to book your appointment so you can be among the very first people to select your crypt or niche. For further information, please call 585-586-5250 and ask to speak to a Memorial Counselor.

BRONZE MEMORIALS

Are you anxiously awaiting the installation of your loved one's bronze memorial this spring?

Then you will be glad to know that we are anxious to get started on our backlog of memorials just as soon as Mother Nature allows! The ground must first dry out enough for us to be able to do the concrete work that serves as the foundation for the memorial. If the ground is too wet when the excavation is made, the earth just caves back in. Our supervisors and marker installers know when they can accomplish this work efficiently and they will begin just as soon as they can. Given the winter weather we have experienced this year it is hard to predict when the installation process can begin. Usually it is late April/early May.

Once we begin, we install one section at a time for maximum efficiency. As soon as your loved one's memorial is installed, a card will be mailed out to the person who ordered the memorial.

If you haven't ordered a memorial yet, please do so as soon as possible. It is customary for us to experience price increases early in the new year from the various vendors who supply our markers. As soon as we have installed all of the memorials ordered last year and received over the winter, we will begin installing the ones that are ordered this spring, so now is the time to place your order.

FLOWER VASES

In-ground flower vases installed by White Haven may be used after March 15th or whenever after that date the snow is finally gone. Please note, however, that in order to avoid freezing pipes, the water in the Park is not turned on until around May 1st, so you will need to bring your own supply of water along. If you do not already have an in-ground vase, please stop into the office to order one. The cost is just \$45 and it usually takes about a week for your vase to be installed.

Are you coming for a visit on a special date? If you don't want to be disappointed by a vase that you can't operate because it is stuck in the ground after all the winter moisture, just call at least a week ahead of time and we'll have it loosened up for you at no charge. If all else fails, we usually have a supply of temporary vases available by the back door of the office.

NEWS FROM THE WHITE HAVEN PRESERVATION FOUNDATION

In addition to supporting our structures, this Foundation also helps preserve our trees and wildlife. After losing one of the massive Copper Beech Trees at the entrance to the Park last summer, we took an inventory of some of the other high profile trees. It turns out that the remaining Copper Beech Tree also has a disease and needs annual treatments that will cost \$375. Both this tree and the massive and ancient Oak Tree in Section F also need lightning protection at a cost of around \$4,000 per tree. You can help save these precious trees by sending a donation in memory of a loved one to:

White Haven Preservation Foundation
210 Marsh Rd.
Pittsford, NY 14534

Or, you can donate online at whitehavenmemorialpark.com. Just press the "Donate Here" button on the Home Page.

Either way your gift will be tax deductible to the fullest extent of the law because this organization is a 501 (c) (3) charitable organization approved by the IRS. Thanks for your help!!!

VETERAN'S CASKET FLAG PROGRAM

With the installation of the new Flag Pole in our Veteran's section A, we are now able to fly casket sized flags. If you would like to have your loved one's flag flown, please call our office and ask for JudieLynn. We would be honored to raise the flag in the month of your choice. The flag will be returned to you at your request. This is one of many ways that White Haven Memorial Park honors and supports those who have served our Country.

SPRING AND FALL FLOWER BOUQUETS

White Haven has two floral bouquets that we offer to those who have a permanent vase below the ground. We order new bouquets each year so there is a splash of variety year after year. This year we will have a bright bouquet of spring colors in various flower types. Spring bouquets may be ordered through the office for \$25. The fall bouquet will be an assortment of autumn blooms and can be ordered through the office for \$25. To order or find out if a loved one is eligible for this flower program, please contact the office at 585.586.5250.

SPRING HOLIDAY DEDICATION REMINDER

The Spring Holidays will be here soon! For those who have loved ones in our mausoleum buildings, you should be receiving the mailing for our Spring Holiday dedications. For Easter, Mother's Day, Memorial Day, and Father's Day, you can have your loved one's name added to the list of names that is displayed by the flower arrangements on the tables in the mausoleum buildings. Simply return the Spring Holiday mailing before the end of February, or contact the office for more information. Dedications are \$15 per person, per holiday or occasion, and can be ordered all year long for any holiday or occasion significant to you or your loved one.

Canandaigua Corner

Are you proud to have selected your final resting spot at Canandaigua Lakeview Cemetery, with one of the best lake views around? If so, we would be happy to reward you with a \$50 Wegmans gift card, just for sharing the news. All you need to do is tell your friends and family members about your decision and encourage them to join you. Then, call your Memorial Counselor and give her the names and contact information of anyone who is interested. If they purchase their burial property pre-need at either Canandaigua Lakeview or White Haven, we will send YOU a \$50 Wegmans gift card. There is no limit on the number of cards you can earn, but prior sales and at need sales are excluded. So, start thinking about who you would like to have join you in your forever spot on the shores of beautiful Canandaigua Lake!
