This past year has been a very stressful time for our entire community, state, country and world. At White Haven Memorial Park we are doing everything we can to make things less stressful for our families all while adhering to Federal, State and local government rules. Thank you for being understanding and patient while we navigate through this together.

We have not yet determined if we will have the Sunrise Service on Easter morning, The Remembrance Service & Butterfly Release in June, The Annual Pet Blessing in the Fall, or if we will be meeting in person for our Remembrance Service in December. We are anxious to resume our monthly Social Club, however all of this will depend on COVID.

We will keep you updated as decisions are made about our upcoming events. Please call us if you have any questions or to check on an event.

White Haven is like the many different trees we have in the Park.

We are **STRONG** like the Oak Tree

We are **EVERLASTING** like the Pine Tree

We are **FRUITFUL** like a Flowering Tree

WREATHS will be removed on March 15th. If you would like yours back, please remove it before the 15th. We will dispose of all wreaths after that date.

OFFICE AND MAUSOLEUM HOURS

For the office....the office is open from Monday—Friday 9:00 am—5:00 pm, Saturday 9:00 am—12:00 pm and closed Sunday. Our lobby is open and we are only allowing 2 people in the lobby at a time. We are requesting that you wear a mask and use the hand sanitizer in the vestibule before you enter the building. If you would like to call ahead we can email you maps for a gravesite location. For a marker appointment or property, please call the office ahead of time to schedule an appointment. Please be patient as we are trying to keep all of our families and staff safe.

For the mausoleums....they are open every day from 9:00 am—3:00 pm. For the safety of everyone visiting and our staff, we have removed most of the furniture. Please wear masks and maintain social distancing while visiting.

Thank you to all our families. We appreciate your patience and understanding as we work together through COVID-19.

FLOWERS AND DEDICATIONS

Spring is right around the corner! After March 15th, please feel free to begin placing flowers in your loved one's in-ground vase. If you do not already have an in-ground vase and would like one, please call the office to order one for just \$45. We also have complimentary temporary vases located in a bin by the back door of the office. Unfortunately, if your loved one is located in the Green Burial Section, Nature Trail, our Lakeview Cemetery, and other areas of the park which are not designated for vases, you will not be eligible for a vase. When deciding to come out, please keep in mind that the water will not be turned on until May 1st to prevent freezing pipes, so you will need to supply your own. We also ask that you call the office ahead of time so that we may have one of our grounds crew raise the vase. Please do not attempt to raise the vase yourself as it may get stuck and damaged, resulting in additional fees to you in order to replace it. If you have any questions, please feel free to call the office at 585-586-5250.

FLOWERS...Would you like a silk bouquet to be placed in your loved one's in-ground vase for the Spring and Fall? White Haven offers bouquets every year to anyone who has a permanent vase. The bouquets vary in style from year to year, but they are always composed of beautiful and brightly colored seasonal flowers. Each bouquet is \$25 and if you need to purchase a vase, it would be an additional \$45. If you are interested and would like to order one or both of the bouquets, please call the office at 585-586-5250 to ensure your loved one is eligible for this service.

DEDICATIONS...Easter, Mother's Day, Memorial Day, and Father's Day are all wonderful times to dedicate one of our silk flower arrangements placed on the tables in the mausoleums to your loved one. Your loved one's name will appear in a list on a plaque next to the various large flower arrangements throughout the mausoleums. The dedications will remain up for 2 weeks and are \$20 each. If you have ordered the Spring dedications within the past 2 years, please be on the lookout for the 2021 form in your mail around the end of February. If you did not receive a form and would like to participate in this service, please call the office at 585-586-5250 and we would be happy to mail one out to you.

CANANDAIGUA LAKEVIEW

Our beautiful Canandaigua Lakeview Cemetery sits on a country hillside overlooking Canandaigua Lake. We have many different options to choose

from: full body, cremation, combo and even a Nature Trail for a cremation burial. If you would like more information, call the

office at 586-5250 to speak to one of our memorial counselors.
