

White Haven Memorial Park & Canandaigua Lakeview Cemetery

Spring 2020 Newsletter

THANK YOU TO ALL OUR FAMILIES
WE APPRECIATE YOUR PATIENCE AND UNDERSTANDING AS
WE WORK TOGETHER THROUGH COVID-19

The past few months have been a very stressful and trying time for our entire community as well as other communities throughout New York State, the United States and around the world. We are not alone as we face the new challenges COVID-19 brings.

During the N.Y. State P.A.U.S.E. White Haven remained open as an “essential business,” with limited access and safety measures mandated by the Federal, State and local government. The protocol that we put into place was for the protection of our families and our staff.

On June 1st we reopened our doors for customers to visit our office and mausoleums. Our opening roll out will be in phases as we gradually introduce our customers to the necessary protocol that must be enforced to ensure a safe environment for all.

Phase One & Two:

- Office lobby hours and mausoleums will be open 9:00 am—1:00 pm.
 - Office staff is available 1:00 pm—5:00 pm via phone.
- All individuals entering the office MUST wear a face mask.
- Hand sanitizer is available.
- Maintain social distancing of at least 6 feet.

We encourage you to please keep in mind we have a wonderful, peaceful park for everyone to enjoy. We are seeing families, friends and neighbors utilizing the Park for some much needed exercise and recreation or they are simply enjoying a serene place to escape their daily worries. Come take a walk and read the markers. Everyone has a story or reflection. Some may choose to say a prayer for that person. You can enjoy a hike on one of our recreation trails, bird watch or identify our many species of trees.

REMEMBER WHEN THIS IS ALL OVER...

*...we will hug in the streets
...dance in the rain.
...small talk over coffee.
...swim in the sea.
...eat delicious food in restaurants.
...celebrate with our loved ones.*

*AND we will have a whole new outlook.
Appreciate, grateful and treasure every moment.
Until then.....
lets bring out the kindness in each other.*

UPCOMING DATES & POLICIES

For the office...the office is open from 9:00 am—1:00 pm. We are available until 5:00 pm via phone. If you would like to call ahead we can email you maps for a location. For marker appointment and property, please call the office to schedule an appointment. When you do come in the office, we are requesting that you wear a mask and use the hand sanitizer in the vestibule. We are allowing only two people in the lobby at a time. There will be instructions on the door, for the safety of everyone, please follow the instructions.

For the mausoleums...they are open from 9:00 am until 1:00 pm. We will be disinfecting and cleaning the mausoleums every afternoon. For the safety of everyone visiting and our staff, we have removed most of the furniture. Please wear masks and maintain social distancing while visiting.

Our June Remembrance Service and Social Club have been cancelled for now. Thank you for understanding. In the meantime, our Park is a serene peaceful place to walk. Come enjoy the beauty of the Park.

Our outside crew is working harder than ever to keep our Park beautiful. Please do not hesitate to reach out to us if you need anything.

FLOWER VASES

Sometimes a vase will be difficult to remove or the grass will grow over it, please DO NOT use your own tools to try to get it out. Call us at 586-5250 and we will put in a work order to get it lifted. This process will take a couple of days but we do have a supply of temporary vases in the bin behind the office, please help yourself.

HAVE YOU EVER TRIED GEOCACHING?

Do you like a good treasure hunt? Have you ever tried Geocaching? White Haven is a certified Geocaching location. Google it! Download the Geocache app and find all hidden treasure boxes located in your area. White Haven has one hidden on the property and we would love to know if you find it. Take one of the gifts that are waiting for you. This could be a great family fun activity that gets you outside, engaged and social distancing all at the same time.

WHITE HAVEN PRESERVATION FOUNDATION, INC.

The White Haven Preservation Foundation was originally established to assist the Cemetery with the maintenance and preservation of its historical structures, its wildlife, the indigenous trees and plant life that collectively add to the beauty of the Park. Our focus for this year is *"The Continuation of Life"*.

We are continuing the expansion of our trails. We have discovered that there is a portion of wetlands that is now a protected area in our conservation plan for the hard wood forest located in the back part of our Park. Did you know we are the last hard wood forest in Perinton? Our trails will weave around the wetlands and we plan on putting educational signage that will identify those areas as well as the wildlife that inhabit it.

We are working on our Monarch Way Station. We want to do our part to help preserve the environment and the endangered species that are an integral part of the Park wildlife. The Monarch butterfly is a beautiful symbol of new life and we do butterfly releases at least once a year. As the Monarch migrates, we want to provide the proper habitat for them to thrive. We are creating a Way Station, near the Forest entrance, that will have an abundance of milkweed and other butterfly related plants. Signage has been designed identifying the location.

Did you know we are a certified Level 1 Arboretum with over 100 different species of trees? Our goal is to identify and digitally classify each of our trees. This information will be available so families can do self-educational tours. Our staff will have the ability to efficiently manage tree maintenance.

These are just a few of the projects we are able to fund because of your generous donations. We are grateful to be able to preserve our beautiful Park and the nature that surrounds us with your continuing support. **We have enclosed an envelope if you would like to make a donation, either big or small.** All donations are tax deductible to the full extent allowed by law since no goods or services would be given in exchange for your donation. For further information on our projects or donation opportunities, please call JudieLynn Nassar McAvinney, President/CEO, at 585-586-5250.

Canandaigua Lakeview Cemetery sits on a country hillside overlooking Canandaigua Lake.

There are different property options for full body casket, cremation and combo plots.

You can chose a plot that is under a tree or near a garden pod. Our Nature Trails for cremation burials run along the entire top portion of the property line into the forest, along a beautiful deep ravine.

Some people have connections to the area with lifelong family memories. Others simply enjoy the view.

If you would like more information regarding Canandaigua Lakeview Cemetery, call us today! **(585) 586-5250**.

We'll send out a packet of information for you to review.

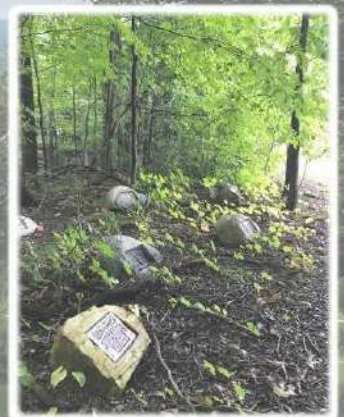

Consider purchasing your burial property pre-need and save.

It's quick. It's easy. It's peace-of-mind.

We are here for You.

Feel like a day trip? Drive over and enjoy the view.

WE ARE PET FRIENDLY

At White Haven we know that pets are part of your family. They are welcome around our Park and hiking trails. We often have them stop in the office to say "hello". Pets must be on a leash and under your control at all times. Please remember to pick up after them in order to keep our Park beautiful.
