Blue Bird Box

A memorial gift is a meaningful way to honor your loved one and it can be a wonderful comfort and aid in the grieving process.

Your donations will be memorialized with a plaque. You can use up to three lines with approximately 25 characters on each line.

Along with honoring your loved one, the Memorial Gift Program is designed to add to the beautiful park-like setting we endeavor to maintain at White Haven and Canandaigua Lakeview. For that reason, all requests must be approved by our Park Supervisor.
