## Easter Sunrise Service

Sunday, April 9th at 7:00 am in All Seasons Chapel

The annual Sunrise Easter Service will be on Sunday, April 9th at 7:00 a.m. This will include scripture, music and meditations by the Evangelical Church of Fairport. All denominations are welcome to attend and reservations are not needed. Please plan to arrive at All Seasons Chapel early to get a good parking space and a good seat as this service is always very well attended.

## June Service of Remembrance

Saturday, June 10th at 4:00 pm  
All Seasons Chapel

Our June Service is an uplifting gathering that will feature prayers, poetry and of course, our traditional Prayer of Names. We plan on gathering together to remember those we have lost and to celebrate what they brought into our lives and what they left in our hearts.

After our service we will be holding an **Ice Cream Social** and a **Butterfly Release** (weather permitting). We encourage you to bring your whole family for this uplifting event.

The cut-off date to submit names for this event is  
Friday, June 3rd

Please submit names to:

nate@whitehavenmemorialpark.com

You can also contact the office at 585-586-5250 with any questions.

*For many a butterfly symbolizes spiritual rebirth, transformation, change, hope, and life. The magnificent, yet short life of the butterfly closely mirrors the process of spiritual transformation and serves to remind us that life is short.*

*At White Haven Memorial Park, we respect and honor the value of every customer, family, employee, and community member we serve.*

*We honor all equally in life and in death. We value diversity and inclusiveness of all religious beliefs, cultures, and ethnicities as we help to ease the loss of a loved one, offering compassion and empathy to all we serve in our community.*

## Wreaths

All wreaths will be removed by March 15th. If you would like yours back, please remove it before the 15th. We will dispose of all wreaths after that date.

## Flowers and Dedications

Spring is right around the corner! After March 15th, feel free to begin placing flowers in your loved one's in-ground vase. If you do not already have an in-ground vase and would like one, call the office to order one for \$65. We also have complimentary temporary vases located in a bin by the back door of the office. Unfortunately, if your loved one is located in the Green Burial Section, Nature Trail, our Lakeview Cemetery, and other areas of the Park which are not designated for vases, you will not be eligible for a vase. When deciding to come out, keep in mind that the water will not be turned on until May 1st to prevent freezing pipes, so you will need to supply your own. If you are having trouble raising the vase, please call the office and we will arrange for a work order to be generated (please allow a week for this to be done). Do not attempt to raise the vase yourself as it may get stuck and damaged, resulting in additional fees to you in order to replace it. If you have any questions, please feel free to call the office at 585-586-5250.

**FLOWERS...**We are running extremely low on silk flowers for the year. If you have not placed your order yet, please send your order in today. When we run out we are unable to get anymore from our vendors. You are more than welcome to place your own. Please make sure they are labeled with your loved ones name and location. Call the office at 585-586-5250 if you have any questions or need a label.

**DEDICATIONS...**Easter, Mother's Day, Memorial Day, and Father's Day are all wonderful times to dedicate one of our silk flower arrangements placed on the tables in the mausoleums to your loved one. Your loved one's name will appear in a list on a plaque next to the various large flower arrangements throughout the mausoleums. The dedications will remain up for 2 weeks and are \$20 each. If you have ordered the Spring dedications within the past 2 years, please be on the lookout for the 2023 form in your mail. If you did not receive a form and would like to participate in this service, please call the office at 585-586-5250 and we would be happy to mail one to you.

## Memorializing Your Loved One

Creating a lasting memory of your loved one is important. Our markers are a wonderful way to memorialize and remember your loved one. All of the markers in the Park are cast and poured or engraved directly on bronze. They are made to withstand the Western New York weather. You can personalize the marker to reflect the essence of the person who has passed with custom wording and emblems. Please call to schedule an appointment with Marcia to design your loved ones marker today.
